Memorial Day celebrated a little differently this year

Al Finn, Junior Vice, plays taps in remembrance and in honor of those veterans who are buried in the Albert Cemetery as well as all veterans not with us any longer.

Members of American Legion Post 781 and other volunteers came out on the evening of May 21, to replace the worn flags on veteran's graves in Albert Cemetery in Mountain Top. Despite Covid-19 and the cancellation of other Memorial Day ceremonies, approximately 35 veterans and civilians came out to place new flags on the graves of veterans to honor and remember those men and women who so bravely served our country. Al Finn, Junior Vice, played taps after all the new flags were placed on all the veteran's graves.

Suzanne and Bud Vinton, members of the American Legion, place new flags on the graves of veterans.

Crestwood School District lists June 12 graduation instructions

Friday June 12, 2020 graduation/procession instructions

Every student will be allowed 1 car in the procession. If families have 2 sets of parents (i.e. step-parents) you will be allowed 2 cars.

Graduates and parents should arrive at Crestwood by 3 p.m. on Friday June 12 in the following sequence: last name begins with A-D: arrive between 3-3:15 p.m.; last name begins with E-J: arrive between 3:15-3:30 p.m.; last name begins with K-O: arrive between 3:30-3:45 p.m.; last name begins with P-Z: arrive between 3:45-4 p.m.

Upon arrival, each graduate will check in with staff and be provided with an index card printed with their name as it is to be announced at the

podium.

The procession parade will begin at approximately 4-4:15 p.m. They will turn right out of Crestwood onto 309. Proceed down 309 to the light at Church Road, turn left onto Church Road, then left into St. Jude's parking lot, through the parking lot back out to 309 and back to Crestwood. Cars will enter the campus, continue to travel in a single file line in front of the school, serpentine through the front parking lot, then to the left of the school by the baseball field down to the field house.

There will be two large LED display panels staged within this area so that families may watch the ceremony while proceeding in line. When approaching the field house

area, teachers will direct cars into two rows where additional teachers will direct a group of six graduates to step out of the car in sequence. Students will be directed by the teachers to proceed to the stage while maintaining safe social distance guidelines. Students will stop at the bottom of the stairs and provide their name card to the teacher who hands it to the announcer. The class advisor/teacher will announce the graduates name who will then proceed across the stage to receive the diploma cover from administration. Class officers will be positioned off stage 6 feet apart to offer congratulations. LifeTouch photographers will take a picture of every graduate receiving their diploma and provide that picture to

the graduates at no charge. Parents and family members may take photos from the car but may not exit the vehicle. Graduates will then return to their car and proceed down the back road and exit the campus via South Main Road. Diplomas and certificates of achievement earned by the graduate will be mailed to graduate's home.

During the parade, the ceremony itself will be streamed live on Facebook and possibly on a local radio station. Tim and Connor will be giving their speeches live at the school. Other speeches and musical numbers will be prerecorded and also shown on the video.

As the names are announced and each student receives their diploma *Pomp and Circumstance* will be playing in the background.

Your senior slide show will be available on the Crestwood website shortly after graduation.

This entire event will be posted on the Crestwood Facebook page and you will be able to watch this live as well as a recorded video in the future.

Per current state and local regulations people will not be able to gather or stand together along the roads.

309 and South Main Road and around the school will all be decorated.

Honoring Crestwood's senior athletes!

In the May 14-27 edition of Mountain Peaks we ran a special section honoring the Crestwood senior athletes.

Unfortunately we made an error in the infor-

mation for Emily Roberts and received another after the deadline. We are featuring those two athletes here.

We apologize for our oversight.

LACROSSE

Emily Roberts

Emily is a member of the 2nd team all stars and National Honor Society.

She will be attending Penn State Main next year, but she won't be able to continue playing lacrosse.

Emily's other interests include playing tennis, Science Olympiad, FBLA.

She is the daughter of Chris Roberts and Sandy Felichko.

FOOTBALL

Jesse Zaykoski

Jesse Zaykoski

Jesse came back after a major shoulder surgery getting the starting spot at wide receiver during his senior year.

He will be attending LCCC and then continuing on to a four year college for a degree in marketing.

Jesse's other interests include hanging out with friends in the woods and on the lake, playing street basketball, skateboarding and snowboarding.

He is the son of Tom and Terri Zaykoski.

Congratulations to all the Crestwood senior athletes!

NOW FALL YOUTH SOCCER REGISTRATION

Mountain Top Youth Soccer Association, in concert with US Youth Soccer and Eastern PA Youth Soccer, is moving forward to give our youngsters the opportunity to play "the beautiful game" once again, come August/September/October. They'll play if it's safe, but if some or all of the season must be canceled, a refund proportional to the canceled

part of the season will be available, minus the cost of the uniform, which of course is yours to keep. To register youngsters age 4 through 18, please visit: https://system.Gotsport.Com/programs/6719984t2?Reg_role=player.

All 2020 registration will be completed online. If your child registered for spring soccer, please do not make payment for fall soccer online. Instead, mail your payment (\$100/player) to MYSA, P.O. Box 102,

Mountain Top, PA 18707. For any questions, please reach out to kristen.cavanaugh7@gmail.com.

UNTIL JUNE 1 LEAF PICKUP

Wright Township is offering a free leaf pickup program. The program will run until June 1. Homeowners may dispose of leaves in biodegradable paper yard waste bags. No plastic bags will be collected. There is a 60 pound maximum per bag. Bagged leaves should be put at the edge of the right of way.

Residents are encouraged to use other environmentally friendly ways of disposing leaves. Place leaves in and around plant beds and under trees and shrubs to provide nutrients for the soil and insulation for rose bushes and other fickle plants, or use a mulching lawn mower to return those nutrients back to your lawn.

A reminder that the burning of leaves is not permitted within Township limits.

Leaf collection dates are subject to change because of inclement weather, equip-

ment, or high leaf volume. Residents should plan ahead and put leaves out early to help ensure collection.

UNTIL JUNE 8 JUNIOR COMETS REGISTRATION

Mountaintop Jr. Comets football and cheer organization is conducting registration for the upcoming 2020 season. They are asking for any interested players and cheerleaders to fill out the registration form which can be found under the photo tabs on their facebook page or on their website. After completing the registration form please mail to Mountaintop Jr. Comets, P.O. Box 552, Mountain Top, PA 18707. Deadline to register is June 8.

No registration fee is required at this time; the fee will be collected during equipment hand outs at a future date. Any questions or if you need a registration form mailed to you please contact mtjuniorcomets@gmail.com or Tom at 570-926-7263.

JUNE 4 BAND UNIFORM DROP OFF

The drop off for Crestwood

band uniforms will be held on Thursday, June 4 between 2-4 p.m. at Crestwood High School.

Stephanie Otero will be located outside the band door in the back of the school. She asks that you please remain in your car and she will get it from you. Please have the uniform bagged in the CSD garment bag and tagged with the student's name on it. If your child needs to get their instrument or anything else that was left behind, please email Stephanie at Stephanie.otero@csdcomets.com by June 3. Please let her know what it is and where to find it. Seniors, you will need to turn in your full uniform in order to receive your diploma.

JUNE 6 FOOD DRIVE

St. Jude Knights of Columbus in support of the national program of 'Leave No Neighbor Behind' will be sponsoring a Food Drive to benefit the Mountain Top Food Bank at St. Paul's Lutheran Church.

This collection will take place on Saturday, June 6 from 9 a.m. to Noon in the parking lot of St. Jude Church. Please follow signs to the drop off point.

This will be a drive through only collection, please place your items in a bag or box in your trunk or truck bed.

Items that are needed include sugar, coffee, peanut butter, jelly, ketchup, dry soup, pudding, Jell-O mixes, popcorn, pork and beans, canned tomatoes, canned soup, mustard, mayonnaise, tuna, macaroni & cheese, pasta, peas, canned pasta and noodles. Monetary donations will also be accepted.

Adopt A Senior project helps seniors through this trying time

There wasn't a prom.

There won't be a senior awards night.

There won't be a senior lock-in.

And, there won't be a traditional graduation.

So, Rebecca Bogdon, the mother of a Crestwood High School senior Dwayne Rocky, came up with an idea to help bring some happiness into the lives of members of the Crestwood High School Class of 2020. She is facilitating the Facebook Adopt a Crestwood Senior project.

Bogdon learned of a project from a friend in Pottstown where there is a similar Facebook effort. "I thought it would be cool to have one for Crestwood," she explained.

She posted Adopt a Crestwood Senior 2020 page on Facebook in early May and the project has taken off.

To get involved, seniors or their parents/friends post a short bio on the

page with a picture if they want. At that point, anyone that would like to "adopt" that senior can reply on that post "I would like to adopt you". The person adopting the senior can contact them thru messenger to find out what they like. Of the 242 members of the senior class, more than half have posted bios and been "adopted." Bogdon keeps track of all the seniors who are participating.

Bogdon emphasized that persons "adopting" seniors are not required to spend any money on the senior. "You can send them encouraging letters, encouraging emails/texts, help with their homework, be a person for them to talk to, or you can send them care packages with some of their favorite snacks, or gift cards," she explained on the Facebook page. "What you do for the senior once you adopt them is all up to you."

In addition to the seniors being "adopted," Bogdon holds a daily drawing for participating seniors. Many individuals and businesses have donated gift cards and other gifts which she raffles off daily through her virtual wheel which she spins online nightly. "The amount of businesses that have gotten involved is amazing," she noted. Each day there is a drawing, Bogdon posts requirements for students to be eligible, such as their favorite memory of Crestwood; favorite ice cream; favorite hot dog topping; or simply posting their name.

Bogdon pointed out the senior class left school in early March and hasn't had the opportunity to be together since. "I'm hoping this helps bring them all back together again," said Bogdon. "To feel like a class again," she added.

Alexis Armstrong shows off some of the things she received from her adopted family.

Adopted ... Continued from page 6

Alicia Armstrong, who along with her twin sister Alexis were “adoptees,” expressed her appreciation for the project. “I think it is nice that people in the community come to support the seniors,” said Alicia, who is headed to Penn State University, State College, to study communications. “We are missing out on so many things, such as our last time to play a spring sport, prom, and graduation. I was “adopted” by the Riccio family and it’s nice to see people care enough to help the seniors through this time,” Alicia added.

Several Crestwood teachers got involved in the project, including high school Spanish teacher Maria Moulton who “adopted” Alexis Armstrong.

“Many people, including neighbors, friends, and strangers, have reached out with inspiring messages and gifts, and I think it is fortunate to have a community who will support each other in this time,” Alexis related. “I was excited when I was adopted by Señora Moulton, my Spanish teacher of 2 years. The mes-

Drew Barno

sage she wrote to me was so thoughtful and inspiring,” she commented. Alexis is headed for DeSales University where she will play field hockey.

Fellow senior Drew Barno expressed his appreciation for the Adopt a Crestwood Senior 2020 program.

“I really appreciate the efforts of everyone in the community,” said Barno, who will matriculate to Bucknell University to study mechanical engineering. “It was so nice for them to think about us. It was a great idea,” added Barno, who was ranked at the top of his class.

Alicia Armstrong, left, with Maggio Riccio whose family “adopted” Alicia.

News in Brief ...

Fairview tables action on park projects

Fairview Township supervisors tabled action on bids for two projects at Memorial Park.

The township received four bids for construction of an approximately one-quarter mile walking path at the park. Bids received were Chilewski Enterprises, \$131,284.44; EBI LLC, \$149,176.00; Pioneer Construction Co., \$97,497.50; and Rutledge Excavating, \$135,805.

Just one bid was received for renovations to the basketball court. Chilewski Enterprises submitted a bid of \$62,720.

The lowest of the four bids for the walking path was nearly double the \$50,000 grant from the state Department of Community and Natural Resources that the township received for the project. The township received a \$60,562 grant from the state Greenways, Trails and Recreation Program for the basketball court renovations.

In other news ...

Supervisors approved a resolution which implements Act 15 of 2020, property tax relief provisions. The law extends the face rate for the municipal property taxes to August 18, 2020. They also directed the township solicitor prepare an ordinance to vacate the Mary Street Bridge.

Supervisors voted to contribute \$2,500 to the Mountain Top Council of Governments (COG) to be used for repairs to The Beast, the machine used to grind yard waste.

Linda Brittain, 18 Pinetree Lane, asked supervisors to consider opening the Council of Governments (COG) compost facility.

Supervisor Mike Iorio said

the facility is closed partly due to the Covid-19 pandemic, but the main reason is because yard waste overflowing and there is no room at the compost facility. He said The Beast has been broken since last year and there is not enough money in the COG account to repair it. Cost of repairs is estimated at \$10,000. He said the COG is waiting for Wright Township to put their share in to fix the machine. Once the machine is repaired, Iorio said the compost facility will reopen.

Wright Township fireworks still on hold

Supervisors decided to wait until their June 8 meeting to make a decision on whether to hold the July 4 fireworks. They did vote to advertise for bids for the event. Supervisors emphasized if the fireworks are held, the display will be in accordance with Center for Disease Control guidelines in dealing with Covid-19.

Mechanical leaf collection may resume in the fall

Wright Township supervisors at their May 11 meeting

moved forward with plans to purchase a new leaf collection vehicle which road foreman Matt Howton hopes will be delivered in time for the fall leaf collection.

The township received a state Recycling Development and Implementation Grant totaling \$197,038 for the vehicle which will replace one that has been out of service due to breakdowns since 2019. The grant requires a 20 percent local match. Cost of the new vehicle, including truck with right-side operation, leaf vacuum and lighting package is \$204,068.

Because the vehicle the township currently owns was broken down, it did not conduct its annual leaf collection program last fall or this spring. Instead, the township picked up leaves from properties where residents collected them and placed in biodegradable bags. This process did not go over well with many residents who were used to raking leaves to the edge of their properties and having the vacuum truck collect them. A similar program is underway and will continue until May 29.

Howton, chairman of the board of supervisors, worked

hard, along with secretary/treasurer Pam Heard, to obtain the state grant. The township's leaf vacuum truck has been on the fritz since 2018. In fact, the township borrowed Exeter Borough's vacuum truck in the fall of 2018 to collect leaves. Howton previously pointed out the new vehicle, with right side operation, will allow the operator to also control the vacuum, requiring less manpower.

What will be the impact of Covid-19 on finances of Mountain Top municipalities?

At this month's meeting of Rice Township supervisors, secretary/treasurer Jeffrey Beck told officials it may be too early to determine the impact, but as of that meeting, the township's finances were in an "enviable" position. He said it could be

August or September before the actual financial impact is known.

At the Wright Township supervisors work session prior to their regular meeting recently, Heard reported the state association of township supervisors (PSATS) sent townships a formula to use to determine anticipated loss of revenue due to the Covid-19 pandemic. She said she plugged the township's numbers into the formula which estimated it would see a \$200,000 decrease in revenue.

Supervisor Donald Zampetti disagreed with the estimate. He pointed out plants in the Crestwood Industrial Park like Gatorade and Cornell have continued operation and Weis Markets has hired more employees. He said the township will continue to receive the annual \$52 Local Services

Tax from those employees.

Heard also told supervisors the township received a communication from the state Department of Environmental Resources (DEP) concerning its request for a waiver for an MS4 permit. Heard said the communication was not clear as to whether DEP approved the waiver application. She forwarded the DEP communication to the engineering firm hired to prepare the waiver application to follow up with DEP.

Dorrance recycling remaining closed

Dorrance Township supervisors announced the township's recycling center will remain closed due to Gov. Tom Wolf's extension of the stay at home order until June 4.

Wright Township hoping to open municipal building

Wright Township officials are hoping to re-open the municipal building on a limited basis on June 4. Residents having township business will conduct that through a window in the lobby. There will be limited access to the office of District Judge Ferris Webby.

COG Center may reopen soon

The Mountain Top Council of Governments (COG) compost facility in the Crestwood Industrial Park may open soon. Parts needed to repair the "Beast," the machine used to grind yard waste, arrived last week and Fairview Township workers

began making repairs. Once the machine is operable, it will be used to grind waste deposited last summer to make room for additional grass, leaves and twigs.

The COG board of directors met last Monday and approved payment of the bill for the parts totaling \$10,632.15. That bill took a big chunk out of the COG treasury which stood at just \$12,516.46 before the bill is paid.

Bids out for paving of Wright Township streets

Wright Township supervisors are hoping to pave a number of streets over the coming months. The township has advertised for bids which will be considered at the regular meeting of supervisors on Monday, June 8 at 7 p.m.

Extent of the paving project will depend on the amount of

the bids. Streets targeted are: Walden Park: Yorktown Road from Hitching Post Road to the southerly end; Red Coat Lane from Walden Drive up to dead end just past Colonels Ridge Road; the northerly portion of Rebel Hill Road; Deerfield Acres: Fawn Court; and White Tail Drive from South Main Road to Deer Run Drive.

The scope of work includes to-inch milling of existing roadway surface; base repair where directed; two-inch binder course structural overlay; one and one-half wearing course overlay; and shoulder back-up material where required along both sides of the road.

Knights of Columbus holding food drive

St. Jude Knights of Columbus in support of the national program of 'Leave No Neighbor Behind' will be sponsoring a Food Drive to benefit the

Mountain Top Food Bank at St. Paul's Lutheran Church.

This collection will take place on Saturday, June 6 from 9 a.m. to noon in the parking lot of St. Jude Church. Please follow signs to the drop off point.

This will be a drive through only collection, please place your items in a bag or box in your trunk or truck bed.

Items that are needed include sugar, coffee, peanut butter, jelly, ketchup, dry soup, pudding, Jell-O mixes, popcorn, pork and beans, canned tomatoes, canned soup, mus-

tard, mayonnaise, tuna, macaroni & cheese, pasta, peas, canned pasta and noodles. Monetary donations will also be accepted.

Parade brightens day for Carla Calabrese

Some of the children who participated in the parade display the signs they made for Carla.

The Coronavirus has some of us missing our jobs and the people we work with. Some miss it more than others. One of those people who desperately miss the children she cares for is Carla Calabrese.

She along with her daughter Mariangela Carannante, are co-owners of Little Big Steps Daycare and Learning Center in Mountain Top.

Mariangela could see how down her mother was not being able to see the children. So along with her staff and the families of the children, they arranged a small parade past her house to help cheer her up.

Carla, affectionately known as Nonna, stands among some of the signs and gifts the children brought.

So on May 21 that is what happened. Carla was overwhelmed at the sight of the children and her staff and enjoyed seeing every one of them, at a safe social distance of course.

Parade held for Sister Ellen's birthday

Quarantine couldn't stop the Saint Jude school spirit from ramping up on the mountain for the school principal's birthday celebration.

Sister Ellen Fischer, S.C.C., was treated to a school parade complete with balloons, streamers and horn honking for her birthday this year.

Over thirty cars lined the school parking lot and drove past Sister as she waved, mask and all. Students brought homemade cards, signs and gifts along with flowers and well wishes.

Giovanni Schulte, a first grade student, wishes Sister Ellen a very happy birthday!

Meal train helps family of child fighting serious illness

Carisa Drum

Carisa Drum, the beautiful 3 year old daughter of Chris and Carolynn Drum and sister of Maria and Jesse Enfinger, Slocum Township, has been fighting an extraordinary battle since birth.

She has an extensive medical history and was recently diagnosed with an extremely rare syndrome, Zellweger's Spectrum Disorder. In her three short years, Carisa has been diagnosed with seizures, gastroparesis, severe hearing loss, severe vision loss, hypotonia, and an extensive list of other issues which have inhibited her daily life. She is nourished utilizing a j-tube.

The Drum family had to make the difficult decision to discontinue additional surgeries and treatments since Carisa's body is beginning to reject treatments and shut down. They have started hospice in hopes to keep her as comfortable and pain free as possible.

Carisa's aunt, Amanda Drum has organized a meal train to help the family. This meal train has been set up to help relieve some of the daily stress in their home, so Chris, Carolynn, Maria and Jesse can focus on spending time with Carisa and what is most important. Please consider helping with a meal, errand, chore or donation.

Please call Carisa's aunt, Amanda Drum at 570-417-5537 with any questions or for directions. The family is located on Slocum Road in Wapwallopen.

There are two adults and two children in the family.

The family enjoys Italian food, pizza, Mexican (tacos etc.), chicken nuggets, teenager foods, meatloaf, lasagna, casseroles, pastas, Chinese, mac n cheese, crock pot meals. Some of their favorite restaurants include Olive Garden, La Napoli/ La Napoli II, Chik-Fil-A, Red Robin, Friendly's and any fast foods.

They do not have any dietary restrictions or allergies but do not enjoy extremely spicy foods. Preferred delivery time is between 5 and 6 p.m.

Entrance to Walden Park gets some new life

Yvonne Marshall got tired of looking at the rundown condition of the entrance to Walden Park every time she drove into the development where she lives.

So, instead of complaining, Marshall decided to do something about it. She recruited a handful of her neighbors who have worked since last year to improve the appearance of the entrance.

"It looked like hell," Marshall said bluntly. "The (brick) wall was crumbling, there were weeds growing up out of the crushed stone, and there were high weeds and grass along the

side wings," she explained.

Marshall said she got permission from developer Joe

Thomas who owns the land at the entrance, to make some improvements. She and some neighbors started by tearing down the crumbling brick wall. "It was in a shamble," she said. "It had been hit a couple times and was a mess," she added. They purchased weed barrier and placed it over the rocks to keep down the weeds. Fellow resident Jim Doxey took his trailer to the Mountain Top COG compost site where they got material to place over the weed barrier in the center of the island that divides the entrance and exit roads. They purchased landscape timbers

which they placed along the sides of the island and installed solar lights.

They then purchased red mulch which they spread in front of "Walden Park" sign and planted flowers in that area. Another resident, Lisa Hargraves, planted a butterfly garden at the rear of the island.

Walden Park resident Bob DePuy constructed a book exchange which he erected on a post on the island. The structure is filled with books that residents can borrow or leave books. "It's been a big hit," she said of the book exchange. "If it continues to be a hit, we may ask Bob to build one for children's books," she related.

"It looks a lot better, but we still have more work to do," Marshall said of the development entrance. "People keep driving over the landscape timbers and knocking over the solar lights. And, we're constantly picking up litter," she noted.

She pointed out some dead trees have been removed, but there are still more that need to be felled.

Wright Township road foreman Matthew Howton commended Marshall and her group of volunteers for their work. "It looks so much better," he said. "I'd like to see residents of other developments do the same type of thing."

Malacari's holds ribbon cutting ceremony

Malacari's Ice Cream opened its windows with a ribbon cutting on a very warm and sunny Friday, May 15 at 12 p.m. to the delight of many who have been patiently awaiting the day they could get a delicious soft serve ice cream cone, sundae, shake etc.

Ever since the Malacari's began painting the building to putting up the new sign, everyone knew what was soon coming to Mountain Top.

Social distancing and wearing masks were mandatory and everyone was patient and followed the safety measures. You could see the delight in everyone's eyes as they received their ice cream.

Malacari's Ice Cream is located where the old Mountain Freeze was located next to Abe's Hot Dogs. Malacari's has a total of six ice cream locations: Wilkes-Barre, Plains, Edwardsville, Mohegan Sun Arena, Hanover, and Mountain Top. The Mountain Top location hours of operation are 12 p.m. to 9 p.m. seven days a week.

Owners Stephanie Malacari, Joseph Malacari and Frank Malacari stand with former owner Attorney Lawrence Kansky as the ribbon is cut and the ice cream shop is open for business.

The first customer of the season is Jesse Bohanan of Mountain Top who came to get a lemon Italian ice for his mom Robin who was unable to get herself.

Area students awarded degrees from East Stroudsburg University

A total of 1,101 students received degrees from East Stroudsburg University of Pennsylvania on May 9, 2020.

Due to the Covid-19 pandemic, traditional ceremonies could not take place, but all degrees were conferred upon completion of coursework.

Mountain Top/White Haven area students who received degrees are: Alyssa Grimes, Cara Jarmiolowski, Mackenzie Koslop, and Nicole Van Kirk.

Free milk given away in Slocum Township

Members of the Slocum Volunteer Fire & Ambulance Company came together to give out 150 gallons of donated milk on May 13. From left are Fire Chief Ron Burd, Sr., Ambulance President Michael Spaide, Mallory Moratori, Ron Burd, Jr., Bri Burford and Shea Makowski.

On Wednesday, May 13 beginning at 1 p.m. the Slocum Volunteer Fire & Ambulance Company gave out 150 gallons

of whole milk free to anyone wanting some. There was a one gallon per carload limit. The department was donated the 150 gallons of milk by Not Bread Alone Food Ministry to be distributed to anyone at no cost. Look for more milk give-a-ways soon at the department.

Milk is being given away

throughout the area due to the Covid-19 and the lesser demand for milk causing processing plants to close. Milk from some local farmers was going to be thrown away because the processing plant they send their milk to was closed. Another plant said they would open and process the milk only if it is donated.

Local students selected H.O.W.L.s. for the 2021-2022 school year

Bloomsburg University recently released their 2020-2021 roster of Husky Orientation & Welcome Leaders (H.O.W.L.s.) for the 2021-2022 academic year.

Often the first point of contact for incoming students and their families, H.O.W.L.s. are highly trained students who model and assist in a healthy transition to college life for fellow students. H.O.W.L.s. provide campus tours for prospective and new students and their families, facilitate the transition to college for small groups of new students, and serve as reliable sources of university information in an often overwhelming time in a student's academic career.

Kaitlyn Lassiter from Mountain Top was selected as a H.O.W.L. for the 2020-2021 academic year. Lassiter is an Early Childhood Education major and a member of the class of 2022.

Cameron O'Neill from Wapwallopen was selected as a H.O.W.L. for the 2020-2021 academic year. O'Neill is a Philosophy/Spanish major and a member of the class of 2023.

Student organizations, such as the H.O.W.L.s., are part of a comprehensive effort at Bloomsburg University to equip every student with practical, meaningful experiences and alumni and employer connections, both on campus and in the field, so they are prepared to impact their community and the workplace upon graduation.

Rose Ostrowski's 6th annual *Adding Tomorrows* tour to help aid local businesses

A few months ago Rose Ostrowski of Berwick wrapped up her 5th annual *Adding Tomorrows* tour, which benefited the Cystic Fibrosis Foundation.

Since, much has happened across the globe and as a result, many businesses in her community were forced to close because of the Covid-19 threat.

That however didn't discourage the Berwick teen, as she has a plan in place to help use her talents to help raise funding for area businesses in her community. Her 6th annual *Adding Tomorrows* charity tour schedule is in the works and it will be released soon.

There are many unknowns. Will social distancing laws and rules be in effect throughout

the summer months and into the fall? Will live music be accepted back into social environments? Her best guess is not right away. Based on that and with permission of participating Berwick businesses, Ostrowski plans to host upwards of 10-12 live shows via Facebook live. Depending on which businesses are allowed to be open at that particular time, the live show may or may not take place at the business site. Regardless, each show will be dedicated to help raise relief donations for a local business. Even if the event is at the site of the business, the donations will be made on line.

"I think that it's a great idea", said Ostrowski.

"I love my community and

many people here have supported me for a long time. "I'll still continue to help support the Cystic Fibrosis Foundation in the future, but during these times I want to switch the focus to my hometown, my community and help give something back."

More than likely, the first event will be held sometime in late May/early June and will continue through this summer.

Any local businesses that have been financially stressed as a result of the Covid-19 shutdown and would like to take part in her fundraising effort are asked to contact Ostrowski at genotylerrjett@gmail.com to schedule a date, either onsite or off.

Offsite events will not be

open to the public and depending on what is happening at that time, social distancing guidelines for onsite shows may prohibit social

gatherings.

Visit www.RoseOstrowski.com, or learn more about her missions by visiting her music Facebook or Instagram pages.

music and a short message. Most of them last about 1/2 hour.

Even though there are no services, the expenses continue for the church. If you wish to mail in your offering, you can send it to St. James at 619 Birch Road, Wapwallopen, PA 18660.

The strawberry festival that was planned for June has been cancelled.

There will be a drive-through take-out only roast beef dinner on Saturday, June 13 from 3 to 7 p.m. Cost is \$10 per ticket (no kids meals). You must pre-order your meal by June 3. Call 570-854-2161 or leave a message on St. James facebook to order your meals.

The meal will include beef, mashed potatoes, gravy, apple sauce, vegetable, bread and dessert.

ST. JUDE CATHOLIC CHURCH

Services: Saturday 4 p.m.

Sunday: 8:30 & 11 a.m.

**Father Joseph J. Evanko, Pastor
420 S. Mt. Blvd., Mountain Top
570-474-6315**

All parish public Masses, gatherings, and activities are cancelled. The church is closed until further notice.

Scheduled Mass intentions will be said by one of the priests at their private mass.

St. Jude Facebook page is St. Jude Parish Mountain Top, and website is www.stjc.org, you can also find the current

bulletin. To listen to Father Joe's homily and other prayer resource links, log on to www.stjc.org.

Thank you for your patience as the church continues to make decisions responsibly for the care and concern of all people. They will follow the protocols set forth by health/government authorities and the diocese in regards to all gatherings and Sacraments. Therefore, they will not be able to celebrate the Sacraments of First Holy Communion and Confirmation as scheduled for May. They will be discussing options as the protocols are developed. Please stay connected with the parish family for updates and development of how these Sacraments will be celebrated in a safe and

healthy environment for all people.

The church continues to make adjustments to scheduled events keeping the care and concern for all people in the forefront. With this in mind, they will not be holding the St. Mary's bazaar, which was scheduled for June 27/28.

ST. PATRICK'S CATHOLIC CHURCH

Services: Saturday 5 p.m.
Sunday: 10:15 a.m.

Rev. Peter O'Rourke
411 Allegheny Street
White Haven
570-443-9944

St. Patrick's Church has cancelled all Masses and activities until further notice.

The church now has a Facebook page for the parish: St. Patrick Church White Haven.

Fr. O'Rourke will celebrate Mass from St. Patrick Church on Sunday at 11 a.m. Mass may be live or posted on Facebook by early afternoon.

For your own safety and the safety of others, they will conduct all business by phone or e-mail: office@stpatrick-

whitehaven.org. If you have a need of any kind, please do not hesitate to contact them.

A number of parishioners have asked about the possibility of Online Giving. St. Patrick Church has now launched Online Giving through Our Sunday Visitor. Soon, they will have a link on their website for the convenience of parishioners who wish to take advantage of this option. If you would like to check it out, please use link: <https://www.osvhub.com/stpatrickwhitehaven/funds>. If you have any questions, please do not hesitate to call the parish office.

The parish data system needs revising. Please complete your St. Patrick membership form and mail it to the Parish office. Even if you are a long-standing parishioner, please help them to update their files with current information.

ST. PAUL'S LUTHERAN CHURCH
Services: Sunday 8:30 & 11 a.m.
Sunday School: 9:30 a.m.
Rev. Michelle Kaufman, Pastor
316 S. Mt. Blvd., Mountain Top
570-474-6616

St. Paul's is offering drive-in worship services at 9 and 11 a.m. every Sunday morning. They use the Memorial Garden as their focal point. An usher directs you as to how and where to park. All you need to do is tune your radio into the designated frequency and follow along. They meet all state and CDC guidelines to ensure your safety and well-being. Communion will be distributed in prepackaged individual servings. For the health and safety of all, they ask you to remain in your

cars to maintain and practice "social distancing." For those unable to join them, Pastor has been recording services from St. John's, Nanticoke that are available on the church's Facebook and website pages www.stpaulsmtn.com

The church office is currently closed. For those who cannot get out or are in need of assistance contact the church office and leave a message or contact Pastor Kaufman at 570-443-0832. There are several individuals who have offered to assist those in need.

The Food Bank continues to distribute food to clients every Friday using safe distance practices. If you would like to drop off donations at the church, please do so on Fridays from 9 a.m.-noon. Donations are always welcome, and appreciated.

The church would also like to invite members of our community to join St. Paul's in supporting our local Covid-19 frontline workers by displaying white ribbons across the property on Route 309. They are all doing their part to help reduce the spread of the Covid-19 virus by staying home when possible. Meanwhile, healthcare workers and first responders in all lines of work are rushing in to care for those persons sickened by this virus and providing for basic necessities. St. Paul's would like to honor members of families and community by placing white ribbons across the property. If you would like to honor someone, send the church the name(s) of those you would like to honor and \$2.50 (cost of ribbon) and they'll add their name to ribbon and list.
