Pickle ball court officially opens in Rice Township

Rice Township supervisors recently held the grand opening of the municipality's new pickle ball court which has proven to be a popular attraction.

The court was constructed through a \$38,788.05 Greenways, Trails and Recreation Program grant along with private donations. It is located adjacent to the township tennis courts.

Much of the work on the project was done by township road department workers under direction of supervisor Bob Pipech. The supervisor credited township secretary/treasurer Jeff Beck for the idea for the court and for his work obtaining the grant. He noted the township is working on

installing lights for the court.

The court is laid out similar to a tennis court, but smaller in size. It is played with a solid paddle and plastic ball with holes. Games can be played as singles or doubles matches.

"When the word got out that the court was finished, people were here at 7 o'clock in the morning wanting to use it," said Pipech, chairman of the township board of supervisors. "People are lined up waiting to use the court," he added. The court is the first outdoor pickle ball court on the east side of

the Susquehanna River.

Nuangola resident Larry Stets, who donated \$500 toward the project, praised township officials for their

efforts to construct the court. Stets said he has been playing for four years and has seen

its popularity grow by leaps and bounds, especially among people over 50.

Urbanski named National Merit Scholarship winner

Emily Urbanski, a member of Wyoming Seminary's Class of 2020, has been named a 2020 National Merit Scholarship recipient.

She is among about 7,500 high school academic champions from throughout the United States who have received National Merit Scholarships worth more than \$32 million.

Urbanski is the daughter of Carl Urbanski and Martha Shipe of Mountain Top.

This year's scholarship competition began in October, 2018 when about 1.6 million juniors in more than 22,000 high schools took the Preliminary SAT/National Merit Scholarship Qualifying Test, an initial screen of program entrants. Last fall, the highest-

Emily Urbanski

scoring participants in each state, representing less than one percent of the nation's seniors, were named Semifinalists. About 16,000 Semifinalists met the very high academic standards and other requirements to advance to the Finalist level of competition.

News in Brief ...

Township parks open

While the township's summer program has been put on hold, Fairview Township's Memorial Park is open for use. Over the last couple years, using state grants, the township renovated its playground installing modern, up-to-date equipment and rubberized mulch in the toddler area. Supervisors recently awarded a contract to renovate the park's basketball courts.

Earlier this year, Wright Township received a \$25,000 grant from the state Department of Community and Natural Resources to upgrade its aging playground equipment. The grant has a \$25,000 local match. Township secretary/treasurer Pam Heard

said the township's consultant on the project has sent out a request for proposals through COSTARS (the state's cooperative purchasing program) to furnish and install new equipment.

Meanwhile, the township park's walking trail, basketball and tennis courts and dog park are open.

Road foreman Matt Howton said his crew is conducting an inspection of the splash pad to see if it can be utilized. The splash pad has been the victim of vandalism over the last few years as well as breakdowns. Howton said parts for the splash pad are not available and when it breaks down replacements must be manufactured. Cost of replacing the splash pad with equipment

that meets current health and safety requirements has been estimated at \$300,000.

Rice Township held the ribbon cutting for its new pickle ball court recently. The pickle ball court is open to the public along with the tennis courts, softball and soccer fields and walking trail.

Dorrance Township park also is open.

Crestwood track available for walking

For those who enjoy walking, the track at the Crestwood secondary facility is open during the day.

Kiwanis Club of Mountain Top donates to Mountain Top Food Pantry for hunger relief

Kiwanis Club of Mountain Top and Crestwood Key Club members met recently at the Mountain Top Community Food Pantry at St. Paul's to present a \$1,000 donation for hunger relief. The donation is to aid in the food pantry's efforts to support area residents who are food insecure and need a helping hand to meet their families' food needs. The money comes from community fundraising, especially the annual golf tournament, which has been moved to Friday, August 28 at Mountain Laurel Golf Course. Members thank all past and present supporters for their generosity that enables the club support of worthy local organizations.

It's summertime and that means the Old River Church would normally start to open for worship on Sunday evenings. These services were a trip back in time to when believers came together to praise God without electricity or rest room facilities (although there was an outhouse). This year due to the pandemic the Cemetery Association chose to cancel these

Regular church services have resumed and they are following the CDC guidelines. They welcome visitors and friends to join them for worship every Sunday.

Emmanuel UCC will hold a ham dinner on **Saturday, July 18** from 3-5 p.m. Cost is \$10.

sions have resumed on Saturdays from 5 to 5:30 p.m. in Fr. Kloton's office. Please enter and exit through the outer library door (white storm door) located at the ramp entrance to the church.

Also, this year they are coordinating with Vacation Bible School. VBS will have a drive-thru pick up of activity bags. They will assemble the bags and hand out to the families. Here's a tentative look at how the week will go: Sunday, July 19 (time tbd): come help put together VBS activity bags and decorate the front of St. Jude's. Monday-Thursday, 8 a.m. gather for prayer and get ready for the day; 9 a.m.: help hand out VBS bags and say hi to the kids as they drive through to pick up. Assemble the bags for the next day; 10 a.m.: work on the service projects of the day; 2 p.m.: group discussion and closing prayer. There may also be some days with optional service projects that are at different Mountain Top locations or at different times (park cleanups, food packing, etc.). Everyone will be notified and have the option to participate in these projects. This year lunch will be provided. Bring a water bottle and snack.

Registration form and Hold Harmless Agreement are due July 14. Hold Harmless may be scanned and emailed to tscanlan@stjc.org.

Bishop ordains Mountain Top native, Jonathan Kuhar

On June 27, 2020, Bishop Joseph C. Bambera ordained three men to the priesthood. One of those men was Attorney Jonathan P. Kuhar of Mountain Top. The ceremony, originally scheduled for early June, took place in St. Peter's Cathedral. Because of Covid-19, the guest list was limited to accommodate the six-foot rule for social distancing and masks were required.

Reverend Jonathan P. Kuhar said his first Mass on June 28 at St. Jude Parish with select family and friends present. He also baptized his nephew, Jacob during the ceremony.

Father Jonathan is the son of Joan Kuhar and the late Gerald Kuhar. His father, along with his grandfather, were lost at sea off the coast of Long Island Sound in November of 1989. Jonathan was only six years old. In an interview for The Catholic Light, he talked about how difficult it was for his family during that time. He credits their relationship with God, with St. Jude Parish and with St. Jude School with getting him and his siblings through those difficult times.

As a young boy, Father Jonathan said he thought about becoming a priest, but dismissed the idea — put it out of his mind and went on to college, law school and became a successful lawyer. Along the way, he made a promise to God that he would reconsider the priesthood if he passed the bar and was able to make a living as a lawyer. He then came to the realization that he was asking the wrong question. He was asking “what do I want from my life” instead of “what is God calling me to do.” That

is when he started thinking about becoming a priest again. God had opened his heart and mind.

Father Jonathan credits his mother with being the most influential person in molding his faith journey. As a young boy she would elbow him during Mass and remind him that God needs good priests. Joan Kuhar said that she always knew that her son would be a

lawyer or a priest. He is both.

At the end of his first Mass, after thanking all those who mentored him and helped with his education and spiritual formation, Father Jonathan presented his mother with the manutergium. The manutergium, a holy cloth used by the Bishop to soak up the holy chrism oil after he anoints the new priest's hands with the oil during ordination. According

to tradition, the mother is to keep the holy cloth in a safe place. When she dies, she is buried holding the cloth in her hands. When she comes before our Lord, He says to her: “I have given you life, what have you given me?” She hands him the

manutergium and responds, “I have given you my son as a priest.” Jesus then grants her entry into paradise.

Father Jonathan will start his ministry as Assistant Pastor of St. John Neumann Parish in Scranton.
