Crestwood celebrates Homecoming

It felt like summer, not early October during Homecoming week at Crestwood High School. The school was decorated in Comet colors, red and white as students showed their school spirit and pride. This year homecoming took place the week of October 4. Activities included theme days, a pep rally, a bonfire and the annual Powder Puff game on Thursday, which pitted the junior girls against the senior girls and was coached by members of the varsity football team.

On Friday, fans lined South Main Road starting at Christ United Methodist Church up to the school for the annual homecoming parade. The Crestwood High School color guard, marching band and cheerleaders led the parade, followed by the homecoming court: Colbey Gallagher, Nadia Peimany, Enderson Martinez, Julia Lazo, Melanie Golden, Natalie Charton, Bryce Vieney, Nash Greene, Carter Laubach and Ethan Shudak, all clustered together on a cart decorated in fall colors. The homecoming court was followed by students and area fire and ambulance companies.

Before the start of the game against the Abington Heights Comets from Clarks Summit, the homecoming court was introduced. Nash Green was crowned King and Melanie Golden was crowned Queen. The Crestwood Comets went on to trounce Abington Heights 33-0.

Golf tournament benefits Max and Lorraine Foundation

On a beautiful early fall day the first annual Button Holdings charity golf tournament was held on Friday, October 1 at Blue Ridge Trail Golf Club in Mountain Top.

The proceeds from the tournament go to the Max and Lorraine Foundation which is named for Max Button and his mom Lorraine Button Tracy, who both lost their lives to asthma.

The tournament included lunch, a putting contest, 18 holes of golf, dinner, and an open bar. The tournament format was Captain and Crew and 120 golfers signed up to play for a great cause.

At bottom right: Amanda Moyer registers Sean Rogan for the tournament and answers any questions he has.

Friends Shirley Keefe, Kate Button, Sister Miriam and Ann Cromarty enjoy catching up.

Vote Marla Campbell for Crestwood School Board

Hello, my name is Marla Campbell. I am currently running for Crestwood school board as an independent candidate. I wanted to introduce myself and let you know who I am and why I am running for school board.

Marla Campbell

First, I am a mother of two. One child is in high school and one in elementary school. My husband and I have been so proud to have our kids in the Crestwood school district. My kids are lucky to have had many wonderful and dedicated teachers. They have helped to inspire me to get involved and help create a great school system.

I have been an advocate for safety improvements in our schools for years. I have attended many board meetings and parent meetings encouraging positive changes to protect our students. We need to give our schools the tools necessary to keep our kids safe.

With the onset of the pandemic we face new issues regarding the health and well being of our students. We have new responsibilities to them and to the community.

During this pandemic I feel that now, more than ever, we need a medical professional on the board. I have been a practicing physical therapist for over 20 years and currently hold my Doctorate in Physical Therapy. I have enlisted a group of doctors and health care

providers from Commonwealth Health system, Geisinger Medical System and Allegheny Health Network who have all agreed to be advisors. Having access to trained, respected, medical professionals in various fields will allow us to always have the best and most current information available. I want to use this information to help keep our kids safe, and in school.

While education and safety is at the core of my beliefs, there is also a financial component to any management of a school district. All board members have a responsibility to the current and future tax payers of the community. I believe we need to have a long term plan for expenses that are coming and will not be able to be ignored. While debt is a part of many school districts, it is the board's responsibility to make sure the debt is necessary, the resultant outcome tackles priority problems first and improves the school district as a whole.

My community involvement and interests extend along many areas of the community. I am a youth soccer coach for over 9 years, I am a proponent of sport safety and injury avoidance education, and I am on the Crestwood cross country booster club. I also teach religious education at St. Jude Parish and have helped organize and work at the Rice Easter egg hunt.

Thank you for taking the time to consider my platform and I humbly ask for your support.

BREAST CANCER AWARENESS

Ask your doctor when you should get a mammogram

Other than skin cancer, breast cancer is the most common cancer among American women. Mammograms are the best way to find breast cancer early, when it is easier to treat and before it is big enough to feel or cause symptoms.

There are different symptoms of breast cancer, and some people have no symptoms at all. Symptoms can include: any change in the size or the shape of the breast; pain in any area of the breast; nipple discharge other than breast milk (including blood); a new lump in the breast or underarm. If you have any signs that worry you, see your doctor right away.

News in Brief ...

Property sales bring revenue to Wright Township

The sale of two more properties in the Crestwood Industrial Park continues to bring unanticipated revenue into Wright Township's coffers.

The former Certain Teed plant at 1220 Oak Hill Road recently was sold for \$32 million to GL 1220 Oak Hill, LLC of Brooklyn, NY. The property transfer tax means \$16,000 each for the township and the Crestwood School District.

Also sold was the Baker Hughes Oilfield Operations building at 1150 Crestwood Drive. The property was purchased by WDC Realty LLC of Collegeville for \$1 million. The township and school district received \$5,000 each from the property transfer tax.

Earlier this year the town-

ship received \$260,000 from the sale of KT Holdings properties on Elmwood Drive and Baker Properties Limited on Oak Hill Drive.

The township budgeted an anticipated \$150,000 revenue in 2021 from realty transfer taxes.

Police chief retires

Fairview Township supervisors at their October meeting approved the retirement of police chief Phil Holbrook effective September 24. Holbrook was a member of the department for 33 years, the last four as chief. Previously he served as detective sergeant. Holbrook has accepted a position as an investigator with the state Attorney General's office.

Sgt. Dennis Monk is expected to be named chief at the board's November meeting.

Rice supervisors approve police pact

Rice Township supervisors at their October 5 meeting approved by a 2-1 vote a new four-year contract with members of the police department.

Supervisors Rick Arnold and Bob Pipech voted in favor of the pact while supervisor Carl Smith voted no. Pipech, board chairman, said he was reluctant to vote in favor of the agreement, but in the interest of harmony agreed to it. The pact covers the years 2022 through 2025.

The new contract calls for a three percent wage increase in 2022 and four percent in each of the following years. Beginning in 2022, police officers' contribution to their health care premiums will increase from two to three percent. The residency requirement also

will change next year. Starting in 2022, police officers must reside within 15 miles of the township. Currently they must reside within 10 miles. Additionally, the starting salary for probationary officers will increase from 80 to 85 percent of full-time officers.

Salaries for department members in 2022 will be \$57,101.12 for patrolmen; \$61,058.40 for sergeant; and \$66,339.21 for the chief.

Supervisors recently named Harold Ehret acting chief. He is expected to be appointed chief in December when long-time chief Robert Franks retirement is effective. Supervisors appointed Christopher Dimmick as a full-time patrolman effective October 6. They unanimously approved a revised police department operations manual.

Rice to hold special meeting October 20

Rice Township supervisors and the township recreation committee will hold a special community meeting on Wednesday, October 20 at 6:30 p.m. at the municipal building

to reveal ideas for a proposed multimillion dollar indoor youth recreation/senior citizen/veterans gathering center on the property of the former Rice Township Volunteer Fire Company, 40 Willowby St.

Arnold, the vice president of the recreation committee, discussed the community meeting at the recent supervisor's meeting. He said the proposed facility would serve not just Rice Township but the greater Mountain Top community. Supervisors and the recreation committee will be looking for

reaction and input from the community regarding their ideas for this property. Recreation committee chair John Rogers and Arnold will present the committee's ideas and answer questions. An architect also will attend.

Over recent months, the township has received inquiries from individuals interested in purchasing the former fire department property located just off Nuangola Road. However, supervisors said they have no plans to sell the property. "We feel strongly about not selling it," Arnold said of the property. His comments were echoed by Pipech.

Arnold was asked if the township has funding in place for the facility and he said the

township and recreation board have "a few funding sources" that have stepped up but did not elaborate.

Temporary repairs completed to Heslop Road bridge

Rice Township engineer Andrew Pasonick told supervisors at their October 6 meeting that Luzerne County has completed temporary repairs to the Heslop Road bridge, but the span will be limited to one lane for the foreseeable future.

Pipech, the township's road master, responding to a complaint by resident Carl Kaminski, said the township will look for a contractor to remove a dead tree along Heslop Road. Kaminski said the tree is lean-

ing toward the road, creating a dangerous situation.

Rice leaf drop off program to start

Supervisor Bob Pipech reported the township's leaf drop off program will begin October 16 and conclude Saturday, November 20. Leaves can be left by the dumpster at the rear of the municipal building. They must be in clear plastic bags. Branches cut to a length of three feet and no more than one inch in diameter may also be left. The

leaf drop off program is for residents with a 2021-2022 recycling permit. Pipech noted cameras record activity in the area.

A potential shortage of General Motors trucks caused Rice Township supervisors to amend a resolution they passed last month authorizing township secretary/treasurer Jeff Beck to apply for Local Shares Account funds to buy two dump trucks. The amended resolution allows the township to buy two new Ford vehicles or two new General Motors trucks. Supervisors said the change was made because

General Motors trucks may not be available. The amendment also set the amount of the grant application at \$190,715.66 originally the amount was set as up to \$225,000.

Annual children's fishing derby held at Blytheburn Lake

Sunday, October 10 was a beautiful fall day for the Blytheburn Lake Association to hold its annual children's fishing derby. It took place from 10 a.m. to 1 p.m. at Lake Blytheburn. The event was cancelled last year due to Covid-19.

The event was for children up to 12 years old. Each child needed to be accompanied by an adult.

Bait was provided and fishing was off the dam and along the shoreline.

Hot dogs and snacks were served during the derby.

A huge array of prizes such as fishing poles and equipment, bean bag toss games, other assorted games and much more were awarded. As always there was no charge for the fun event.

This year 102 trout were released for the derby and more than 35 kids came to the lake to try their hands at catching a big trout.

Fall colors provide a beautiful backdrop for the annual children's fishing derby at Blytheburn Lake.

Six-year-old Brady Sorber smiles as he holds a yellow perch he just caught.

Anthony D'Arco, 8 looks very happy with this beautiful blue gill he caught.

Hunter Bedosky, 7 has been coming to the fishing derby since she was a wee two-year-old. She just cast out her bait, and is hoping to catch a few fish.

Wyatt Dane, 12, just let out a great cast from shore in between the boats.

Mark Bensavage holds the trout that his daughter Charlotte just caught.

Scout troop 106 enjoys Hawk Mountain hike

Scout Troop 106 members enjoyed a day hiking Hawk Mountain Sanctuary in Kempton PA which accesses several overlooks with views onto the Kittatinny Ridge where several species of raptors migrate predominantly in the fall. Scouts also learned about raptor migration, conservation, and education at a presentation

with a Great Horned Owl and Red Tailed Hawk both of which were injured and rescued by the Sanctuary. Scouts in attendance were Luke Barley, Simon Basham, Andy Grove, Alex Jennings, John Lupcho, Weston Medvetz, Bradley Meyers, and Sean Rodgers, Leaders Christal Basham, JJ Powers and Tony Rodgers.

Milena Makuta learns all about "A" as she cuts up her apples.

Nothing but a smile behind the mask for Easton Silva as he celebrates "A" week.

Apples a plenty in Saint Jude pre-school

The sights and sounds of Fall would not be complete without the sights and sounds of apples: red, green, delicious and crunchy! That's just what Mrs. Papciak's preschool students found out recently as they sampled and studied their way through a lesson on all things apples. Students began their investigation as they learned about the letter "A", its sound and shape. This led them to discover the many words that begin with the letter...which went directly to a wonderfully delicious concluding activity: the making and tasting of applesauce. With all this fun the children cannot wait to work (and hopefully taste!) their way through the alphabet.

Everyone, regardless of their faith or background, is welcome to attend worship services. St. Martin-in-the-Fields is an inclusive and modern Episcopal church, incorporating the best of both Catholic and Protestant traditions. As an inclusive church, St. Martin's recognizes divorce and the remarriage of divorced people, male and female clergy, single or married, LGBTQ equality, and a Eucharist open to all baptized persons, regardless of their faith background.

They uphold five marks of mission which includes proclaiming the Good News of the Kingdom, teaching and nurturing new believers, safeguarding the integrity of creation, and of particular importance to them, responding to human need through loving service and seeking to transform unjust structures in society; and, challenging violence

of every kind. The charitable work they do individually, and collectively as a congregation reflects their commitment to these increasingly crucial needs in our area.

St. Martin-in-the-Fields is a member parish of The Episcopal Diocese of Bethlehem.

For more information on St. Martin's services and upcoming events, visit stmartintimeless.org or call 570-868-5358.
